

Children summer camp in Bulgaria

The camp is organised in a mountain resort (1460 m above the sea level) - one of the most picturesque parts of the Balkan mountains, 17 km away from the town of Troyan), amidst the stunning beauty of the nature. Distance from Sofia – approx.. 180-200 km

The children camp offers a rich and very interesting entertainment programme, which includes lectures for orientation, trekking in the forest, competitions, games in the park Indiana Jones, rock climbing under the instructions of a professional, many games, etc..etc.
