- One of the newest treatments is the Ion Detoxification. The Ion Detoxification Foot Spa Cleanse System is a professional ionic detoxification system which aids in total body purification, rebalancing the body at a cellular level. Treatments are considered by many practitioners to be the most effective way to balance, re-energize, and detoxify the body. The sessions last for 30 minutes. After a session, users report feeling energized, focused, and alert, but you should feel the strongest effects over time. As each client is different, the frequency of treatments will vary. However, for the average user to receive the maximum general health benefits, an initial 6 treatments over a 4-6 week period is recommended.

The Ion Detoxification Foot Spa is a state of the art, digital, computerized ionic foot-bath. These naturally stimulating and relaxing sessions are based on ionization of water and osmosis of energy ions to draw toxins from the body. These services have been known to:

- Enhance body detoxification
- Regulate Blood Sugar and Blood Pressure
- Inactivate viruses, bacteria, yeast and fungus
- Reduce pain and inflammation
- Purify the blood and lymph
- Stimulate the immune system
- Promote weight loss
- Relieve tension and more...
